What We Do

The City of Santa Fe provides operating and facility support for the Library while the Friends raise essential funds to enhance programs for youth, families and adults.

The Friends stand against censorship and advocate for the freedom to read and the free access to information.

Your Membership At Work

Members ensure the Library continues to meet the needs of our community, helping thousands of people learn and grow each day.

Here are some of the important ways your membership support makes a difference:

- Supporting programs for children, teens, and young adults, including *Santa Fe Reads* and the annual *Summer Reading Program*.
- Strengthening services for underserved populations through programs such as *Bilingual Books and Babies*.
- Funding professional development opportunities for librarians that enhance skills and knowledge.
- Sponsoring authors and performers, allowing the library to host free readings and events.
